Peter Range of THE WASHINGTON POST MAGAZINE called on Wednesday to request an interview with the DDCI. Range was favorably impressed with the NYT Magazine article on the DCI by Joe Lelyveld. He is interested in doing a similar article but with more emphasis on the person. John McMahon, says Range, is the "ultimate, consummate senior professional who has seen it all and done it all." His story would center around what it's like to have worked in CIA all his life and who McMahon is as a person.
